

Payroll

Employer Solutions - Tax

With constant changes in labor and taxation systems, payroll is one of the most challenging responsibilities a company faces. Managing personnel commitments can also be costly and time-consuming.

Grant Thornton Singapore can handle your payroll processing needs so that your management team can focus on your core competencies, enabling you to concentrate on what's really important to your business. Our team of well-experienced professionals can handle your payroll requirements whether you have just hired your first employee or have outgrown your current payroll capabilities.
