Our services

To achieve their ambitions, dynamic organisations in every industry call on our audit and assurance, tax and advisory services.

Audit and assurance

In an era where investors and other stakeholders demand transparent financial reporting, we provide our clients with a robust audit. Our team has deep experience in all aspects of audit and assurance, including external audits focused on financial statements, and internal audits. We also have a strong track record in undertaking: one-off reviews of systems and controls, agreed-upon procedure reports and other regulatory and compliance audits, such as those involving grants.

- Statutory audit
- Financial reporting advisory services
- US GAPP
- Audit quality and monitoring.

Tax

We have tax specialists whose breadth and depth of expertise covers the whole range of tax services. Over 550 tax partners and more than 6,000 tax professionals in Grant Thornton member firms worldwide work together to offer detailed, cross-border solutions. We have the capability and expertise to advise large multinationals, privately held businesses as well as public interest entities and individuals on a range of services including:

- Corporate tax
- Direct tax
- GST & Indirect tax
- Global mobility services
- International tax
- Transfer pricing.

Advisory

To unlock the potential for growth in our clients, we deliver a range of advisory services that will enable you to strengthen internal controls and governance processes, implement sound organisational strategies and improve your operational efficiency. We work with businesses from the initial concept stage, assessing the feasibility of their business plan right through to developing and supporting the growth and exit strategy.

- Financial due diligence
- Commercial due diligence
- Valuations
- Forensic and restructuring services
- Investigation services

Geographic Corridors

Growing a business beyond your country’s borders requires thorough research, preparation and knowledge and impeccable execution.

Why Grant Thornton

We discover what's important to you and make it important to us

Our culture is built on a genuine interest in our clients – their challenges, growth ambitions and wider commercial context. You get the attention you deserve from approachable, senior professionals who ask the right questions, listen and provide real insight and a clear point of view.

The bottom line

- A relationship-led approach with more time and attention from partners and senior advisers
- A deeper understanding of your business for more meaningful advice and recommendations

Agile and responsive service

Our size and structure create advantages for you. We adopt a flatter structure, with shorter decision making chains, empowered teams and no complex chains of command. We have all the necessary processes and controls but they're streamlined and efficient. Our teams are more responsive.

The bottom line

- A faster response when you need quick answers and clarity
- Anticipating the answers you'll need before you ask

Pragmatic solutions to help you improve and grow

Our teams bring ideas to the table, going beyond the technical issues to recommend ways to make your business better. Whether your goals include expansion, improving operational efficiency or building investor confidence, we balance a desire to do what's best for you in the future with an experienced sense of what's going to help you now.

The bottom line

- Helping you think ahead and think more broadly
- Proactively identifying opportunities for improvement and growth

Collaborative teams with a different mindset

Our people are open, accessible and easy to work with. We work through the issues alongside you, always with an independent perspective and challenging where necessary. Our collaborative style also enables us to assemble teams across service lines, industries and geographies to tailor our capabilities for you.

The bottom line

- Teams and solutions built around your needs not our structures
- A better working relationship with you and your team

Our value
