# About Grant Thornton

The global challenges facing businesses are unprecedented. That demands a different type of adviser. One willing to go beyond what's expected to deliver an experience that's more personal, agile and proactive. That's Grant Thornton.

We are a global network with member firms in over 130 countries, with one common goal — to help organisations realise their ambitions in any environment.

## A focus on Singapore

Grant Thornton Singapore is a leading provider of audit, tax and advisory services. We apply strong technical guidance and breadth of experience to ensure that clients receive a truly unique experience.

**16**  
Partners in Singapore

### Large international client base

More than 95% of our clients are international businesses. We have extensive experience in servicing overseas clients in Singapore.

We bring finely tuned local knowledge together with global expertise across the Grant Thornton network, to help you see the bigger picture.

# Our services

Whether you're growing in one market or many, looking to operate more effectively, managing risk and regulation, or realising stakeholder value, our firms have the assurance, tax and advisory services to meet your needs.

## Audit and assurance

Our team has deep experience in all aspects of audit and assurance.

At Grant Thornton, we use a single audit methodology across our global network. This means that our clients gain the same proven, high-quality approach wherever they are.

- Statutory audit & non audit assurance
- Financial reporting advisory services
- US GAAP & US GASS
- Audit quality and monitoring

## Tax

At Grant Thornton, our member firms worldwide work together to offer detailed, cross border solutions.

We have the capability and expertise to advise large multinationals, privately held businesses as well as public interest entities and individuals on a range of services.

- Business tax advisory
- Corporate tax compliance
- Goods and services tax
- Transfer pricing
- Employer solutions
- Private client services

## Advisory

We listen to your business' unique needs and develop tailored solutions that take all of them into account.

We work with businesses to manage risk, maximise enterprise value, as well as develop and support their growth and exit strategy.

- Corporate finance
- Restructuring and Insolvency
- Forensics and investigations
- Business risk

# Why Grant Thornton

## We make business personal.

Uncovering the right answer starts with asking the right questions. So we invest in listening, building relationships, and understanding your concerns. Which allows our team to focus on the real issues, challenge you constructively, collaboratively engage and offer solutions that are both illuminating and actionable.

## We work at the pace that matters. Yours.

Issues arise, goals evolve, needs change. And our team is poised to change with them. Our flatter structure and agile approach quickly adapts to your way of working. We aren't limited by geographical borders. We've replaced silos with relationships. We simplify the complex, making the technical accessible. So you're always ready to react at the speed of today's business.

## We value diverse perspectives.

Sometimes the path forward isn't clear until you change your point of view. Which is why we foster an open culture where the boldest ideas can flourish. We celebrate fresh thinking. We combine deep industry expertise with newly uncovered insights. And we leave no stone unturned until you have the whole picture. So you can make decisions with confidence.

## We don't predict the future. We help you shape it.

A brighter tomorrow starts with a clear eye on the horizon and compass to guide you. Which is why we match proactive insights to practical applications. Working closely with regulators, funders and standard setting bodies to help define the business landscape. Creating sustainable growth through positive progress. So, no matter the road ahead, you're moving forward.

## We are committed to delivering consistently high quality.

Every time you work with us, no matter which member firm in our network, you'll find the same rigorous approach, professional standards and commitment to excellence. And we're constantly leveraging our technical expertise and technological innovations to set the bar even higher.
